My Dear student children,

It gives me immense pleasure to show my Qualifications / Achievements as follows

- a) B.E. (Civil) from Osmania University, Hyderabad.
- b) M.Tech (Engineering Structures) from R.E.C. (Now NIT Warangal).
- c) Rank – 128 and selected for UPSC Combined Engineering Services in 1989.

The reason for keeping these in public domain is

- Few gentlemen blamed me that I am not a qualified Engineer.
- Few great professionals commented and filed legal cases against me that I am not qualified in Engineering Services and blaming me that I am cheating the student community by giving false information.

One side I am happy to share these things with you and on the other side sad that the so called great professional competitors sitting in Delhi, and throwing mud on me.

However, I pray the god to give all those gentlemen (who are trying to assassinate my character) good health, wealth, success and prosperity. I may not be alive by tomorrow, but facts should be known to all my student children.

With best wishes.  
Always yours G.K. Sir.
